The NSNPHA is a provincial association representing non-profit housing providers and partners working to strengthen community housing across Nova Scotia. Our role is to bring the sector together, build capacity, share practical tools, and support collaboration that helps deliver and sustain affordable, community-led homes.

Our events are designed to connect housing leaders, frontline practitioners, and partners across the province. They create space for practical learning, peer problem-solving, and relationship-building that helps projects move forward and helps organizations deliver stronger outcomes in communities.

We offer a variety of sponsorship opportunities tailored to maximize your organization's visibility and engagement, including:

Platinum Sponsor – Recognition in event materials and a featured booth space (\$5000)

Gold Sponsor – Logo placement on event signage and program materials (\$2500)

Silver Sponsor – Acknowledgment in promotional materials and online channels (\$1200)

By becoming a sponsor, you will demonstrate your commitment to affordable housing solutions while connecting with an engaged audience of decision-makers and community advocates. Enclosed, you will find a detailed sponsorship package outlining the benefits of each level. We would be delighted to discuss how we can tailor a sponsorship package to best align with your goals and values.

We approach sponsorship as a partnership. In addition to recognition and visibility, we aim to create meaningful value for sponsors through connection with our member organizations and the broader sector.
